PVC NYLON BRAIDED PIPE

Make: "GANGA"

LDPE KRISHI DELIVERY PIPE

LDPE KRISHI DELIVERY PIPE made from high quality thermoplastic compound . Our production of hoses meets the most stringent operational requirements. Transparent hoses facilitate the location of blockage in use. The smooth inner bore prevents any build - up and offers minimum resistance to flow. The working pressure of the hose is dependent on temperature and is lowered with increase in temperature. Available in various grades as Black and Color,

Features: Withstand Low pressure, Light weight compared to rubber hose, Black and Color, Working temperature up to 60 o C, High flexibility, Easy working life and durability, Chemical and abrasion resistance, Excellent Handling and Folding, Crush and kink resistance, Opaque if required, Rodent proof
